Fundraising

Once the teams are formed, each player will receive a booklet of 10 tickets which they would have already prepaid for along with their registration fees. Players/parents can sell these tickets for \$10 each in order to be reimbursed for their pre-purchase of the \$100 booklet or just use them for themselves. The player/parents will keep this \$100 and turn in the tickets for the draw.

Rep Fees

\$250 rep fee is payable after tryout decisions are made. This additional fee is due to rep teams having two practices per week, longer game times, and additional referee fees.

Due by **October 20th**

Discounts

— — —

Family Discount - a multi-player discount of \$100 is applicable for families registering more than one child. One child will pay the full registration amount. Each subsequent child will receive a \$100 discount off of their registration amount.

New to hockey discount - a 50% discount is offered to new players to CDMHA. This will be deducted after registration. The 50% discount only applies to the hockey fee amount and not the \$100 mandatory fundraising raffle ticket amount. eg. New U7 player's registration amount is \$500 consisting of \$100 in raffle tickets and \$400 in hockey fees. The total amount to be paid is $\$100 + (400 \times 50\% = 200.00) = \300.00 .

Families joining CDMHA must have a parent or guardian complete an online course on Respect in Sports.

NOTE: Only one discount can be applied per family.
